CREATE! – June 7, 2018

2018 CREATE! Conference. creativity. technology. education

Anthony Wayne Local Schools is pleased to invite you to take part in the 2018 CREATE! Conference to be held at Anthony Wayne High School on June 7, 2018.

CREATE! was conceived to provide educators with an opportunity to explore and discover real-world, standards-based lessons that incorporate creativity, technology and 21st century skills. Lessons containing these characteristics result in engaging, inspiring, student-centered learning. Let our presenters show you how they are leading the evolution of teaching and learning in order to more effectively prepare our students for the 21st century and beyond.

Continental breakfast and lunch will be provided to all presenters and attendees.
